 Subject: [IUTC-KOREA] Master Degree Scholarship Program

## 2021 KOICA Master Degree Scholarship Program with Universities in Gangwon Province of Korea

The International Urban Training Center(IUTC) of Gangwon province of Korea is pleased to inform you KOICA(Korea International Cooperation Agency) master scholarship program for IUTC alumni and friends all over the world.

KOICA and two universities in Gangwon province are offering 2 master's degree programs for governmental officials and key leaders in partners countries who can contribute to the socio-economic development of their home countries.

\* Response to Climate Change (Hallym University)

**\* Gender and Rural Community Development – For Women (Yonsei University)**

The KOICA provides full tuition fees, air fare, settlement allowance, monthly allowance, extracurricular activities expenses, accommodation, scholarship completion grants, and insurance fee.

More detailed information on each program(Program Information; PI) can be found on the KOICA CIAT Website:

<http://www.koica.go.kr/ciat/7815/subview.do>

\* Please find the university name(Hallym, Yonsei) and title in the list.

The application deadline of these programs is March 29th, 2021!

We look forward to your interests and active participations from IUTC alumni and friends.

The IUTC alumni interested in the degree program should contact IUTC as soon as possible!

**The IUTC will provide a full support and a recommendation letter for IUTC alumni who is planning for an application of this program!**
